Forecast For Wales
Issued by Met Office Exeter
at 0400 on Friday 30 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A wet and windy start. Brighter and showery later.

Today:
Widespread heavy rain continuing into Friday morning, along with coastal gales in the south. Becoming brighter but remaining showery and windy by afternoon, showers easing further into the evening. Maximum temperature 20 deg C (68 deg F).

Tonight:
A dry night for many across the country with some clear spells expected, odd showers possible through the night. Brisk winds will gradually ease down. Feeling cooler. Minimum temperature 10 deg C (50 deg F).

Saturday:
A finer day ahead on Saturday for many with sunny spells, feeling pleasant in the sun. Scattered showers possible across the country through the afternoon, some locally heavy. Lighter winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
A mostly dry day Sunday, plenty of sunny spells, risk of isolated showers predominately in the south. Risk of further showers through Monday and Tuesday. Feeling pleasant in the sunshine.
